PROGRAMS FOR THE SOUL

Loving The Questions, a community of discernment What is God's will for my life? How do I live my best life? What might this look like? Is what I want truly what God wants for me? Is what I want best for myself and others? Perhaps there is something I'm missing? Perhaps there is something I'm blind to and can't see? ... these are the kinds of questions that we sit with and wrestle with together in our community of discernment called Loving the Questions.

Registration is now open for 2022-23. For details, including our schedule, please go to our website at www.lovingthequestions.org. We also enthusiastically welcome any and all inquiries about our community and details about our gatherings.
